3. Second Reading Ordinance 22-15C: **AN ORDINANCE AMENDING THE SPEED LIMIT ON OCEAN BOULEVARD, BEACH AVENUE, AND ATLANTIC AVENUE BETWEEN AND INCLUDING MAY 15 AND OCTOBER 15 ANNUALLY**

#### **STATEMENT OF PURPOSE**

This Ordinance lowers the speed limit on Ocean Boulevard (31st Street to East Surf Avenue), Beach Avenue (East Surf Avenue to East MacEvoy Lane), and Atlantic Avenue (East 34th Street to 12th Street) from 25 miles per hour to 15 miles per hour between and including May 15 and October 15 annually.

**WHEREAS**, pursuant to N.J.S.A.40:48-2, the governing body of a municipality may make, amend, repeal, and enforce such ordinances, regulations, rules and by-laws not contrary to the laws of this state or of the United States, as it may deem necessary and proper for the good government, order and protection of persons and property, and for the preservation of the public health, safety and welfare of the municipality and its inhabitants, and as may be necessary to carry into effect the powers and duties conferred and imposed by this subtitle, or by any law; and

**WHEREAS**, pursuant to N.J.S.A. 39:4-8, N.J.S.A. 39:4-98, and N.J.S.A. 39:4-197, a municipality may by ordinance lower speed limits on roads upon the basis of an engineering and traffic investigation that the speed hereinbefore set forth is greater than is reasonable or safe under the conditions found to exist; and

**WHEREAS**, the Township of Long Beach ("Township") and its Police Department determined that portions of its roads that boarder the beach possess minimal shoulders, minimal sidewalks, significant residential density, and a significant increase in bicyclist and pedestrian traffic in the roadway areas during the peak season of May 15 to October 15 annually, which increase includes both persons accessing the beaches and using the roadways for exercise, personal enjoyment, and travel; and

**WHEREAS**, in addition, there is substantial seasonal motor vehicle traffic during the peak season of May 15 to October 15 on the Township's roads that boarder the beach; and

**WHEREAS**, the Mayor and Board of Commissioners and Police Department have determined that the foregoing conditions pose a threat to the public health, welfare, and safety; and

**WHEREAS**, based upon the foregoing, the Mayor and Board of Commissioners and Chief of Police requested the Police Department and the Township Engineer to study whether the speed limit on Ocean Boulevard (31<sup>st</sup> Street to East Surf Avenue), Beach Avenue (East Surf Avenue to East MacEvoy Lane), and Atlantic Avenue (East 34<sup>th</sup> Street to 12<sup>th</sup> Street) should be reduced from 25 miles per hour to 15 miles per hour between and including May 15 and October 15 each year; and

**WHEREAS**, the Police Department prepared a study and the Township Engineer reviewed the study and request for the reduction in speed limit on the aforesaid portions of Ocean Boulevard, Beach Avenue, and Atlantic Avenue; and

**WHEREAS**, based upon the study, the Township Engineer concludes that a reduction in the speed limit on the aforesaid portions Ocean Boulevard, Beach Avenue, and Atlantic Avenue from 25 miles per hour to 15 miles per hour during the peaks season is in the interest of safety and conforms to the current standards prescribed by the Manual of Uniform Traffic Control Devices for Streets and Highways (attached as Exhibit A and incorporated herein is a copy of the Township's Engineer's Opinion and the Police Department Study); and

**WHEREAS**, based upon the study and analysis prepared by the Police Department and the report and opinion prepared by the Township Engineer, the Township has elected to reduce the speed limit on the aforesaid portions Ocean Boulevard, Beach Avenue, and Atlantic Avenue from 25 miles per hour to 15 miles per hour as set forth herein.

**NOW THEREFORE, BE IT ORDAINED** by the Mayor and Board of Commissioners of Township of Long Beach, Ocean County, State of New Jersey, in accordance with the aforesaid Recitals, which are incorporated herein by reference, as follows.

§1 The speed limit on Ocean Boulevard (31st Street to East Surf Avenue), Beach Avenue (East Surf Avenue to East MacEvoy Lane), and Atlantic Avenue (East 34th Street to 12th Street) shall be lowered from 25 miles per hour to 15 miles per hour between and including May 15 and October 15 each year.

§2 All ordinances, or parts of ordinances, inconsistent with this ordinance are hereby repealed to the extent of such inconsistency.

§3 If any word, phrase, clause, section, or provision of this ordinance shall be found by any Court of competent jurisdiction to be unenforceable, illegal, or unconstitutional, such word, phrase, clause, section, or provision shall be severable from the balance of the ordinance and the remainder of the ordinance shall remain in full force and effect.

§4 A certified copy of this Ordinance shall be forwarded to the Commissioner of Transportation pursuant to the requirements of N.J.S.A. 39:4-8.
