APPLICATION SUPPLEMENT

8701 LBI LLC (the "Applicant") has made application to the Long Beach Township Land Use Board for amended preliminary and final site plan approval relative to the property designated as Lot 1, Qualifier C0003, in Block 13.02 on the Tax Map of the Township of Long Beach, located at 8701 Long Beach Blvd. in the Brighton Beach Section of Long Beach Township. In a Resolution dated September 1, 2005, the Applicant received preliminary major site plan approval to permit the construction of a new building to contain a food marketplace and restaurant and two dwelling units. Final major site plan approval was granted in a Resolution dated October 6, 2005, a condition of which required the Applicant to record a deed specifically restricting the use of the proposed dwelling units to be located above the commercial use be utilized only by the owners or employees of the commercial units. The Applicant recorded a Deed dated December 7, 2005, which implemented said restriction and was recorded in the Ocean County Clerk's Office on December 12, 2005 in Official Record Book 12954 at Page 1706.

In a Resolution dated December 7, 2006, the Board granted amended major site plan approval and a bulk variance to permit the retention of the then recently constructed building containing a food marketplace with a restaurant a distance of eight feet from the rear lot line where ten feet was required.

In a Resolution dated March 11, 2020, the Board granted amended site plan approval, which approval removed the prior condition on the property limiting the two dwelling units to be utilized only by owners of the property or employees of the commercial unit at the site. A Deed dated June 11, 2020, which removed the restriction on the property pursuant to the March 11, 2020 Resolution, was recorded in the Ocean County Clerk's Office on June 22, 2020 in Official

Record Book 17933, Page 1089. Copies of all of the aforementioned resolutions are attached hereto.

The Applicant is now seeking amended site plan approval to utilize the commercial unit as a candy store, which is a permitted use under the Long Beach Township Zoning Ordinance. Pursuant to Section 164-3 of the Long Beach Township Municipal Code, any change of use at a commercial property, even where such use is a permitted use, requires site plan approval from the Board. There are no variances requested.

LAND USE BOARD

APPLICATION NO. LUB 32-05PFLONG BEACH TOWNSHIP LAND USE BOARDRESOLUTION OF MEMORIALIZATIONDate Sept 1, 2005

WHEREAS, application has been made to the Long Beach Township Land Use Board by KAREN SPINELLI, the contract purchaser of the lands and premises owned by Luciano Bacchia, known and designated as Lot 1 in Block 13.02 on the Official Tax Map of Long Beach Township, which premises are located at 8701 Long Beach Boulevard, Brighton Beach, New Jersey, for preliminary major site plan approval together with bulk variances and special reasons variances to permit the construction of a new building containing a food marketplace with a restaurant seating on the first floor and two (2) single family apartments on the second floor; and

WHEREAS, the jurisdictional requirements of N.J.S.A. 40:55D-12 have been satisfied in that notice of this application has been given to all property owners within two hundred (200') feet of the property in question and notice of this application has been duly published in the Beach Haven Times, the official newspaper of the Township, all as required by law; and

WHEREAS, the Long Beach Township Land Use Board, after carefully considering the application, plans, exhibits and testimony presented by the applicants, as well as the representations of the applicants' attorney, Reginald J. Raban, Esquire, and members of the public, at the hearing conducted on August 4, 2005 has made the following findings of fact:

- (1) The premises are owned by Luciano Bacchia, having the dimensions of 60 feet by 85 feet for a total lot area of 5100 square feet
- (2) The premises are located at 8701 Long Beach Boulevard, Brighton Beach, and are in the C General Commercial Zone;
- (3) The premises are currently vacant with just a sign remaining from the prior restaurant which occupied the premises;
- (4) The Board incorporates herein by reference the plans prepared by Horn, Tyson & Yoder, Inc. entitled, "Site Plan Lot 1, block 13.02 Tax Map Sheet #15 Long Beach Township Ocean County, New Jersey" dated 5/5/2003 and revised 7/14/2005.
- (5) The Board incorporates herein by reference the plans prepared by Robert B. Roth, Jr., a.i.a., entitled, "New Retail Space w/Apartments for Spinelli/Degillo Lot 1 Block 3.02 Township of Long Beach, Oc. Co., New Jersey" dated June, 05, bearing the latest revision date of 7/7/05;
- (6) The Board accepts the reports of its Engineer, Frank Little, Jr., dated July 21, 2005, and hereby incorporates same herein by reference.

(7) The applicant proposes to construct a new building containing a food marketplace with a restaurant seating on the first floor and two (2) single family residential apartments on the second floor;

(8) The applicant requires the following bulk variances for the construction as proposed:

a. A bulk variance for the lot area as 6000 square feet is required and 5100 square feet is proposed and existing;

b. A bulk variance for the non impervious surface as 25% is required and 6% is proposed;

c. The front step extends beyond the property line into Long Beach boulevard right of way;

d. From the off street parking requirement in that 7 parking spaces are proposed where 22 spaces are required

e. From the requirement to provide a loading zone as none is provided; and

f. Curb and sidewalk exists along Long Beach boulevard, Mermaid and Delaware Avenues and the applicant proposes curb only along the rear of the property.

(9) A special reasons variance is required for the two proposed dwelling units on the property.

(10) As to front steps encroaching beyond the property line into Long Beach boulevard right of way, the applicant's engineer testified that the drawing was in error and that no such encroachment is proposed;

(11) The Board specifically finds that the proposed development satisfies a need in Long Beach Township to develop larger commercial uses to benefit its citizens and the uses proposed are permitted in the commercial zone;

(12) The Board wants to make sure that the subject premises remain a commercial property as commercial properties are needed in the resort community;

(13) The Board notes that the two dwelling units as proposed are small apartments that are needed to provide appropriate housing for employees of the commercial units to live in;

(14) The Board finds that the dwelling units as proposed are in furtherance of the commercial uses and therefore, are necessary in the resort area;

(15) The Board notes that no residential owners objected to the development as proposed, and instead spoke in support of the application.

NOW THEREFORE, BE IT RESOLVED, this 1st of September, 2005 by the Long Beach Township Land Use Board that:

LAND USE BOARD

APPLICATION NO. LUB 32-05PFA 2149

LONG BEACH TOWNSHIP LAND USE BOARD

RESOLUTION OF MEMORIALIZATION

Date Dec 7, 2006

WHEREAS, application has been made to the Long Beach Township Land Use Board by KAREN SPINELLI, the owner of the lands and premises known and designated as Lot 1 in Block 13.02 on the Official Tax Map of Long Beach Township, which premises are located at 8701 Long Beach Boulevard, Brighton Beach, New Jersey, for Amended Major Site Plan Approval to permit the relocation of the newly constructed building containing a food marketplace with a restaurant to provide for a rear yard setback of 8 feet rather than 10 feet as was approved; and

WHEREAS, the jurisdictional requirements of N.J.S.A. 40:55D-12 have been satisfied in that notice of this application has been given to all property owners within two hundred (200') feet of the property in question and notice of this application has been duly published in the Beach Haven Times, the official newspaper of the Township, all as required by law; and

WHEREAS, the Long Beach Township Land Use Board, after carefully considering the application, plans, exhibits and testimony presented by the applicants, as well as the representations of the applicants' attorney, Reginald J. Raban, Esquire, and members of the public, at the hearing conducted on November 2, 2006 has made the following findings of fact:

(1) The premises have the dimensions of 60 feet by 85 feet for a total lot area of 5,100 square feet;

(2) The premises are located at 8701 Long Beach Boulevard, Brighton Beach, and are in the C General Commercial Zone;

(3) The premises contain a newly constructed building containing a food marketplace with a restaurant;

(4) The Board incorporates herein by reference the plans prepared by Horn, Tyson & Yoder, Inc. entitled, "Site Plan Lot 1, block 13.02 Tax Map Sheet #15 Long Beach Township Ocean County, New Jersey" dated 5/5/2003 and bearing the latest revision date of 6/20/2006;

(5) The Board accepts the reports of its Engineer, Frank Little, Jr., dated October 19, 2006, and hereby incorporates same herein by reference.

(6) The applicant received Final Major Site Plan Approval pursuant to Resolution of Memorialization LUB 32-05PF on September 1, 2005 and;

(7) The Board accepts the testimony of the applicant's Engineer who explained that an honest mistake took place during the course of construction which resulted in the building being located 8.00 feet from the rear lot line rather than 10.00 feet from the rear lot line and now requires a bulk variance for the same;

(8) The Board notes that location of the building in it's present location does not present any problems for any dwellings or other owners in the neighborhood and does not negatively impact on anyone's light or air;

(9) The Applicant testified that the State Fire Inspector required the trash dumpster to be removed from underneath the building and that the dumpster was moved to the northerly side of the property, underneath a neighbor's kitchen window.

(10) The Board finds that the trash dumpster should be smaller in size and relocated from the location near the neighboring residences to the area where the residential trash cans are stored on the premises, so that the dumpster will not be offensive to the neighboring homes;

(11) The denial of the bulk variance requested will deprive the applicant of a fair and reasonable use of their premises without any corresponding benefit to the public good.

(12) The Board specifically finds that the marketplace and restaurant satisfies a need in Long Beach Township to provide commercial uses to benefit the citizens;

(13) The Board notes, however, that the Township did incur the costs of having the Engineer review the plans as submitted and, therefore, the request by the Applicant that the preliminary and final major site plan fees be waived are hereby denied.

NOW THEREFORE, BE IT RESOLVED, this 7th day of December, 2006 by the Long Beach Township Land Use Board that:

1. ARTICLE FIVE OPERATION OF PROPERTY

SECTION ONE. DETERMINATION OF COMMON CHARGES. The governing board shall from time to time, and at least annually, prepare a budget for the Association, which budget shall include projections of common expenses, common revenues (from sources other than assessments of unit owners), the amount of common charges required to meet the excess of the former over the latter, and an allocation and assessment of such common charges against unit owners as provided in the Master Deed. As used in these by-laws, the term "common expenses" or "common charges" shall mean expenses or charges for which unit owners are proportionately liable and shall include but not be limited to the following:

- a) All expenses of administration, maintenance, repair and replacement of the Common Elements.
- b) Insurance premiums on all policies of insurance obtained by the governing board, managing agent or manager, as the case may be, pursuant to Sections Twelve and Thirteen of this article.
- c) Working capital reserve.
- d) General operating reserve.
- e) Repair and replacement reserve.
- f) Reserve for deficits accrued in prior years.
- g) All other amounts that the owners may agree upon or that the governing board may deem necessary or appropriate for the operation, administration and maintenance of the Condominium.

The governing board shall furnish copies of the budget on which the allocations and assessments of common charges are based to all unit owners and mortgagees.

SECTION TWO. COLLECTION OF ASSESSMENTS. The governing board shall assess common charges against the unit owners from time to time, and at least annually, and shall advise each unit owner in writing of the amount of common charges payable by him. If any common charge remains unpaid for more than thirty (30) days from the date due, the governing board shall take prompt action to collect the same.

SECTION THREE. COMMON SURPLUS. If in any taxable year the net income to the Association from assessments and all other sources except casualty insurance proceeds and other nonrecurring items exceeds the sum of (a) total common expenses for which payment has been made or liability incurred within the taxable year, and (b) reasonable reserves for common expenses in the next succeeding taxable year as may be determined by the governing board, such excess shall be returned forthwith to unit owners, the share of each being in proportion to the amount of assessments for common expenses paid by him within the taxable year.

SECTION FOUR. LIABILITY FOR ASSESSMENTS. All unit owners are obligated to pay the common charges assessed by the governing board at such times as the board may determine. No unit owner may exempt himself from liability for any assessment for common charges by waiver of the use or enjoyment of any of the Common Elements or by abandonment of his unit. However, any owner of a unit that is free and clear of all liens and encumbrances other than a first mortgage and the statutory lien for unpaid common charges, may, subject to the provisions of these by-laws, convey such unit to the governing board or its designee, corporate or otherwise, as grantee on behalf of all other unit owners, and such conveyance shall exempt the owner from liability for any common charges assessed thereafter. In all voluntary conveyances of units, the grantee shall be jointly and severally liable, with the grantor, for all unpaid assessments against the latter for his share of common expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover over against the grantor for any amounts paid by the grantee. However, any such grantee, or any mortgagee, shall be entitled, within ten (10) days after making request therefor, to a certificate from the governing board or the managing agent or manager, as the case may be, setting forth the amount of unpaid assessments pertaining to such unit, and in such event, any person other than the grantor who relies on such certificate shall be entitled to rely thereon, and shall not be liable for any amounts in excess of the amount stated therein. A mortgagee or other purchaser of a unit at a foreclosure sale shall not be liable for nonpayment of any common charges assessed prior to the date of the foreclosure sale, and such unit shall not be subject to a lien for nonpayment of charges.

SECTION FIVE. DEFAULT IN PAYMENT OF COMMON CHARGES. In the event a unit owner shall fail for thirty (30) days following the due date thereof, to pay to the governing board the common charges assessed against his unit, such unit owner shall be deemed in default and shall be obligated to pay interest at the legal rate on such common charges from the due date thereof, together with all expenses, including reasonable attorney's fees, incurred by the governing board in any proceeding brought to collect the same, or to foreclose a lien for nonpayment thereof.

SECTION SIX. FORECLOSURE OF LIENS FOR UNPAID COMMON CHARGES. It shall be the right and duty of the governing board to attempt to recover unpaid common charges, together with interest thereon, and expenses of the proceeding, including reasonable attorney's fees, in an action brought against any unit owner in default on his obligation to pay the same, or by foreclosure of the lien on any unit in respect to which such default has occurred provided for in Section 46:8B-21 of the New Jersey Statutes. In any such foreclosure, the unit owner shall be required to pay a reasonable rental for the unit for the period beginning with the initial default and ending with satisfaction of amounts secured by such lien from the proceeds of the sheriff's sale. Any unpaid common expenses remaining uncollectible for more than sixty (60) days after such sheriff's sale may be assessed by the governing board as common expenses to be collected from all unit owners including the purchaser who acquires title at the sheriff's sale, his successors and assigns. The governing board, acting on behalf of all unit owners,

shall have power to bid on and to purchase any unit offered for sale at a sheriff's sale, and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same, and foreclosure shall be maintainable notwithstanding the pendency of a suit to recover a money judgment.

SECTION SEVEN. MAINTENANCE AND REPAIR.

- (a) Every owner shall promptly perform all maintenance and repair work within his own unit, which if omitted would affect any common element, any portion of the property belonging to other owners or the project as a whole, being expressly responsible for all damages and liabilities that any failure to repair or maintain may engender.
- (b) All maintenance, repairs and replacements to the Common Elements, whether located inside or outside individual units, shall be the responsibility of the governing board and shall be charged to all unit owners as common expenses unless such maintenance, repairs or replacements are necessitated by the negligence or misconduct of individual unit owners, in which case they shall be the responsibility of, and shall be charged to such individual unit owners.
- (c) Each unit owner shall be responsible for and reimburse the Association for any expenditures incurred in repairing or replacing any common element damaged through his fault.
- (d) In the event there is any damage to an individual unit, not effecting the integrity or safety of the entire building or the other unit, including but not limited to roof leaks, broken shingles and/or broken windows and all other items solely affecting one unit and not impacting upon of the other units shall be repaired at the expense of the Association.

SECTION EIGHT. USES OF UNITS.

- (a) Units A & B shall be used for residential enterprises and Unit C shall be used for commercial purposes.
- (b) Residents keeping domestic animals must abide by municipal sanitary regulations.

- (d) Owners shall not permit anything to be done or kept in their units that would increase the rate of fire insurance thereon or on the Condominium as a whole.
- (e) No immoral, improper, offensive or unlawful uses shall be made of Condominium property or any part thereof and each unit owner, at his own expense, shall comply with, perform and duly satisfy all municipal, state and federal laws, statutes, ordinances, regulations, orders or requirements affecting his unit.

from, or to make emergency repairs necessary to prevent damage to Common Elements or to any other unit or units, or to correct any condition in violation of the provisions of any mortgage secured by any other unit. Requests for access shall be made in advance and shall be scheduled for times convenient to the owner except that in case of emergencies, right of access shall be immediate, and shall exist whether the unit owner is present at the time or not.

SECTION TEN. MODIFICATIONS BY GOVERNING BOARD. Whenever in the judgment of the governing board the Common Elements require additions or alterations, the making of such additions or alterations shall require approval by a majority of unit owners. After such approval has been obtained, the governing body shall proceed with the additions or alterations and the costs thereof shall be treated as common expenses.

SECTION ELEVEN. REPAIR OR RECONSTRUCTION. In the event of any damage to or destruction of any improvements on the Condominium Property or any part thereof, or any common element or elements or any part thereof, required by the Master Deed, these by-laws, or by law to be insured by the Association, such improvements, including individual units therein, but excluding furniture, fixtures, decorations, and equipment installed or placed therein by unit owners, or Common Elements, shall be promptly repaired and restored by the governing board using the proceeds of such insurance.

SECTION TWELVE. FIRE AND EXTENDED COVERAGE INSURANCE, INCLUDING FLOOD INSURANCE. The Governing Board of the Association, or the managing agent or manager, as the case may be, shall obtain and continue in effect insurance against loss by fire and other casualties normally covered under the broad form fire and extended coverage insurance as written in New Jersey and separate flood insurance, if applicable, covering all Common Elements, all structural portions of the condominium property, in an amount not less than one hundred (100%) percent of the replacement value thereof, if available, if not available, then the limits will be for the maximum amount available. The premiums of such insurance shall be a Common Expense to be paid by monthly assessments levied by the Governing Board. Any insurances, riders and/or endorsements that are specific to the commercial space and/or operation of a business including but not limited to product liability insurance and/or loss of business insurance, shall be the responsibility of the Owner of Unit C. In addition, each Unit Owner shall be required to maintain a "walls-in" fire and liability policy for the benefit of the Unit Owner.

SECTION THIRTEEN. LIABILITY INSURANCE. The Governing Board of the Association shall obtain and continue in effect insurance against liability for personal injury and death and for damaged property arising from accidents occurring within the Common Elements in such amounts as shall be determined by the Governing Board. The premiums for such insurance shall be a Common Expense.

SECTION FOURTEEN. RIGHT OF OWNERS TO INSURE UNITS. Any insurance obtained or maintained by the governing board, managing agent or manager, as the case may be, shall be without prejudice to the rights of unit owners to obtain and maintain such unit insurance as they see fit.

SECTION FIFTEEN. RULES OF CONDUCT. Rules and regulations concerning the use of the Common Elements and of individual units may be promulgated and amended from time to time by the governing board with the approval of a majority of unit owners.

SECTION SIXTEEN. ABATEMENT OF VIOLATIONS. - (a) To enter any unit in or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any thing or condition constituting such violation or breach, and the governing board shall not be deemed guilty of trespass in so doing; or
- (b) To enjoin, abate, or remedy the continuance of such violation or breach by appropriate legal proceedings or to bring an action for recovery of damages.

SECTION SEVENTEEN. NOTICE OF INSURANCE TO INSTITUTIONAL LENDER. Insurance policies held by the Condominium Association shall include a listing of institutional lenders as their interests may appear.

ARTICLE SIX
EMINENT DOMAIN

SECTION ONE. CONDEMNATION OF COMMON ELEMENTS. If all or any part of the Common Elements or limited Common Elements is taken or injured by eminent domain, each unit owner shall be entitled to notice of such taking thereto. Any damages shall be for the taking, injury or destruction as a whole and shall be collected by the governing board. If those unit owners entitled to exercise one hundred percent (100%) or more of the total voting power of the Association duly and promptly approve the repair and restoration of the Common Elements or limited Common Elements, the governing board shall contract for such repair and restoration and shall disburse the proceeds of the award in appropriate progress payments to contractors engaged in such repair and restoration. If the proceeds of the award are insufficient to defray the entire expense of repair and restoration, the excess of such expense over such proceeds shall be treated as a common expense. In the event that those unit owners entitled to exercise one hundred percent (100%) of the total voting power of the Association do not duly and promptly approve the repair and restoration of the Common Elements, the net proceeds shall be divided by the governing board among all unit owners in proportion to their respective common interests, paying out of the share of each unit owner the amount of any unpaid liens on his unit in the order of priority of such liens.

SECTION TWO. CONDEMNATION OF UNITS. If all or any part of any unit or units, other than undivided interest or interest in the Common Elements and limited Common Elements appurtenant thereto, shall be taken, injured or destroyed by eminent domain, each unit owner so affected shall be entitled to a notice of such taking and to participate directly in the proceedings incident thereto. Any damages shall be payable directly to such owner or owners.

SECTION THREE. The disbursement of net proceeds resulting from condemnation of Common Elements or condominium units shall be made first to any institutional lenders and then to unit owners only with the written consent of the institutional lenders.

ARTICLE SEVEN
RECORDS

SECTION ONE. RECORDS. The manager, managing agent and governing board shall keep detailed records of all actions of such manager, managing agent and governing board, as well as minutes of the meetings of the governing board, minutes of the meetings of the Association and financial records and books of account of the Association, kept in accordance with generally accepted accounting principles. Such records shall include a chronological record of all receipts and disbursements. A separate account shall also be kept for each unit containing, among other things, the amount of each assessment against such unit, the date when due, amounts paid thereon, and the balance remaining due. It is anticipated that the only common expense will be for payment of liability insurance premiums.

ARTICLE EIGHT
MISCELLANEOUS

SECTION ONE. NOTICES. All notices required or permitted to be sent to the governing board shall be sent by registered or certified mail in care of the manager or managing agent, or if there is not manager or managing agent, to the office of the governing board at c/o 8701 Long Beach Blvd., Unit C, Long Beach Twp., New Jersey 08008, or to such other address as the governing board may, from time to time, designate. All notices required or permitted to be sent to any unit owner shall be sent by registered or certified mail to the Condominium or to such other address as such owner

may have designated in writing to the governing board. All notices to unit mortgagees shall be sent by registered or certified mail to their respective addresses, as maintained by the secretary in the book entitled "Mortgagees of Units." All notices shall be deemed to have been given when mailed, except notices of change of address which shall be deemed to have been given when received.

SECTION TWO. WAIVER. No restriction, condition, obligations or provision contained in these by-laws shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations and failures to enforce that may occur.

SECTION THREE. INVALIDITY. If any provision or provisions of these by-laws is or are declared invalid, such invalidity shall in no way impair or affect the validity, enforceability or effect of the remaining provisions of these by-laws.

SECTION FOUR. CAPTIONS. Captions are inserted in these by-laws for convenience and reference only and shall not be taken in any way to limit or describe the scope of these by-laws or any provision thereof.

ARTICLE NINE AMENDMENTS

SECTION ONE. AMENDMENTS. These by-laws may be amended or supplemented by the vote of these unit owners entitled to exercise one hundred percent (100%) of the total voting power of the Association at a meeting of the Association duly called and held for such a purpose. Any such amendment or supplement shall be filed for record in the office in which these by-laws are recorded.

ARTICLE TEN CONFLICTS

SECTION ONE. CONFLICTS. These by-laws are intended to comply with the requirements of, and are promulgated pursuant to Chapter 88 of Title 46 of the New Jersey Statutes. If these by-laws or any provisions hereof are so construed as to be in conflict with the provisions of such statute or of the Master Deed, the statute or the Master Deed shall control.

 - e) The fire suppression sprinkler system equipment.

The Common Elements may be used in accordance with such rules and regulations as are from time to time promulgated by the Condominium Association in accordance with the Master Deed and By-Laws. Such use may be conditioned upon, among other things, the payment by each Unit Owner of such assessments as may be established by the Board of Directors of the Condominium Association for the purposes of defraying the cost thereof.

Although the Common Elements are owned by all of the Unit Owners in Common, their maintenance and management will be the responsibility and obligation of the Condominium Association, as required by New Jersey law, whose Board of Directors will assess each Unit Owner his proportionate share of the Common Expenses. Any repairs, alterations to the exterior of the building, including the roof, must be the same color and texture as the remainder of the structure.

However, since the common area surrounding the front of the building consist primarily of landscaping and planters, that enhance the aesthetics of and is more beneficial to the owner of Unit C, Unit C shall be responsible for the maintenance and expenses associated with said landscaping area and irrigation system.

It is anticipated that receipts of the Condominium Association, including assessments, rents and funds from all other sources, will not exceed the Common Expenses. However, in the event that such receipts do exceed the Common Expenses in any year, the excess will be applied by the Association to reduce, on a pro rata basis, the assessment against each unit owner in the succeeding year.

8. OWNERSHIP OF COMMON ELEMENTS. The Owner of Unit A, Unit B and Unit C shall each own in fee simple absolute a proportionate, undivided interest in the aforesaid Common Elements listed in Paragraph 7, as follows:

No modification of or amendment to these by-laws shall be deemed valid unless set forth in or annexed to a duly recorded amendment to this Master Deed in accordance with the formalities set forth herein. No amendment to the by-laws shall be adopted which would affect or impair the validity or priority of any mortgage covering any condominium unit.

11. AMENDMENT OF MASTER DEED. This Master Deed may be amended or supplemented by the affirmative vote of those unit owners entitled to exercise a majority of the total voting power of the Association, cast in person or by proxy at a meeting duly called and held in accordance with the by-laws annexed hereto as Exhibit 2.
