APPLICATION SUPPLEMENT

Carl R. Ohlsson, Jr. and Koral Ohlsson (collectively, the "Applicant") have made application to the Long Beach Township Land Use Board for bulk variances relative to proposed development at the property designated as Lot 1 in Block 1.79 on the Tax Map of the Township of Long Beach, located at 31 W. Susan Avenue in the Holgate Section of Long Beach Township. The Applicant is seeking to install a pool in the front yard adjacent to the existing single-family dwelling at the property that is nearing completion of construction. The following variances are requested:

1. Section 205-11(E)(1)(a) of the Zoning Ordinance: On any corner lot, the owner of such lot may determine upon which street he or she wishes the main building to front. The front yard shall have the minimum setback required by this chapter; provided, however, that if the main building on the adjoining lot fronting on the street upon which street the owner wishes his or her main building to front provides for a front yard setback of less than that required by this chapter the corner lot being developed may maintain the same front yard setback as the adjacent building; provided, however, that such front yard distance shall not be less than 10 feet. The street not selected as the front yard shall be designated as the side yard. All front-yard and side-yard regulations shall apply to the lot, as selected.
 - a. With regard to the Applicant's property, S. Pennsylvania Avenue is the front yard and W. Susan Avenue is the side yard. As a result, the minimum required front yard setback to the pool from S. Pennsylvania Avenue is 18.3 feet pursuant to Section 205-58(C)(3) of the Zoning Ordinance; a setback of 4.4 feet is proposed from S. Pennsylvania Ave. to the pool.

2. Under Section 205-33(B)(3)(a) of the Zoning Ordinance, on lots adjacent to a paved roadway approved impervious lot coverage shall not exceed 75% of the entire lot area nor 60% of any yard setback area. Here the proposed impervious coverage within the front yard setback to S. Pennsylvania Avenue is 71.8%.

In addition to Lot 1 in Block 1.79, the Applicant also owns Lot 1 in Block 1.77, which is a vacant lot across S. Pennsylvania Avenue from the proposed pool. Lot 1 in Block 1.77 cannot be developed. Therefore, Lot 1 in Block 1.79 is essentially a bayfront lot. If Lot 1 in Block 1.79 was a true bayfront lot, the Applicant would be permitted to install the pool as proposed without a variance. Being that there are no homes that can be constructed directly west of the Applicant's proposed pool, there is no detriment to surrounding properties nor the public good.
