OCEAN COUNTY HAZARDOUS WASTE DISPOSAL INFORMATION: (609) 978-0913

OCEAN COUNTY PAINT MANAGEMENT PROGRAM: Mon. - Sat. 9am - 2pm, call (609) 978-0913 for information.

Ocean County Paint Management Program flyer can be found on the Township of Long Beach Public Works web page.

Ocean County Southern Recycling Center: (609) 978-0913

## CURBSIDE COLLECTION - Residential & Commercial

- **RECEPTACLES** Containers for trash/recycling must be no more than 32 gallons capacity weighing no more than 50 pounds when filled. The containers shall be placed no more than 5' away from the property curb line for pick up. THE LIDS MAY NOT BE TIED TO THE TRASH OR RECYCLING CONTAINERS. YOU MAY TIE THE LIDS TO THE BINS/CORRALS ONLY.

PLEASE NOTE: Trash and recycling must be put in covered containers marked specifically. Some homeowners choose blue cans for their recycling to distinguish recycling. DO NOT TIE NEWSPAPERS IN BUNDLES OR BAGS, NO FILM/WRAPS, PLASTIC BAGS OR STYROFOAM IN RECYCLING. RECYCLING IN PLASTIC BAGS WILL NOT BE PICKED UP.

### COMMERCIAL ONLY, UP TO 6 CONTAINERS IS ALLOWED FOR EACH RECYCLE AND TRASH CURBSIDE COLLECTION DAY.

- **BULK TRASH** Anything other than household garbage, such as furniture, box springs, mattresses, wood, carpet, etc., will be picked up at the property curbside by Meadowbrook Industries, NOT the Township, on your 2nd scheduled trash day during the summer schedule and the first full week of the month during the winter schedule. Toilet tanks must be separated from the base. No pilings or piling butts will be picked up with wood.

Carpet must be cut into 4' lengths and tied in bundles weighing no more than 40 pounds.

- **CLIPPINGS/YARD RAKINGS** (chips, pine needles/cones, weeds, and grass) are to be placed in plastic bags weighing no more than 40 lbs. per bag and put out along with your household trash.
- **APPLIANCES AND SCRAP METAL** items include BBQ Grills, Lawn Mowers, bicycles, AC Units, etc... Please remove doors on large appliances for safety reasons. Call 609-361-6676 or email stindall@longbeachtownship.com. WE CANNOT TAKE PROPANE TANKS - they are accepted at household hazardous waste day or at a local gas station with a propane exchange program, or at Home Depot or Lowe's.
- **ELECTRONICS** Pick up only for Long Beach Township Residents. Residents can call or email stindall@longbeachtownship.com for the following electronics only: Computers, TV's, Monitors, Laptops, Printers & Fax Machines. Long Beach residents can also drop off electronics at 7910 Long Beach Blvd., Beach Haven Crest or at the Southern Ocean County Facility in Manahawkin.
- **BRANCHES** Branches will be picked up every Wednesday by MEADOWBROOK INDUSTRIES, but MUST be scheduled by calling **Township Trash & Recycling by noon on Tuesday**. All branches (tree limbs, branches) are recyclable and MUST be tied in 4' bundles weighing no more than 40 pounds. Diameter of limbs should be no more than 3 1/2". Branches should not be placed onto dunes. You may also drop off branches at the Recycling Drop-Off Center. No grass or root balls. UNTIED BRANCHES WILL NOT BE PICKED UP. NO BRANCHES IN PLASTIC BAGS. Call 609-361-6676 or email stindall@longbeachtownship.com.

## DROP-OFF

### Township of Long Beach RECYCLING DROP-OFF CENTER

# LBT FIELD STATION TERRAPIN RELEASE

Each year, the LBT Field Station releases terrapin hatchlings with help from Project Terrapin!

1

From May - August, mother terrapins will leave the bay to find soft, sandy spots to dig their nests.

2

When spotted, nesting cages are put over eggs to protect them from predators.

5

Adult terrapins burrow in the mud during fall to prepare for cold weather. In May, the cycle begins again!

4

Hatchlings will emerge in late summer & the springtime. We release them in the marsh patch across from our facility!

3

If a nest is laid in an unsuitable area, our turtle experts relocate the eggs to our hatcheries and monitor them with care.

# Ocean County Curbside Recycling Guide

## CARDBOARD

Do not tie

## GLASS

Bottles & Jars

## METAL CANS

Aluminum & Steel  
food containers  
+ Aluminum Foil

## PAPER

Not shredded

## PLASTIC

ONLY clean  
#1, #2, & #5  
Lids/Caps ON

**Not on list? Don't put in bin!**

**DON'T BAG MATERIALS**

**Clean & Dry Materials ONLY**

**Rechargeable batteries via drop-off  
only, they are a fire hazard in your bin**

Alkaline batteries can go in regular garbage

# New materials added

**Chipboard** Food/tissue boxes

**Aluminum foil** wrap & trays

**Plastics**   

Bottles, jars, food containers, etc.

**Now you can leave caps/lids ON**

**Clean & dry before recycling**

# Township of Long Beach, Ocean County

[www.longbeachtownship.com](http://www.longbeachtownship.com)

## Water Restriction Guidelines

In effect June 1 - September 30

Through our continuing effort to conserve water, Long Beach Township allows residential and commercial watering only according to alternating odd/even address numbers and calendar days:

- Addresses with EVEN numbers may irrigate on EVEN calendar days, as needed.
- Addresses with ODD numbers may irrigate on ODD calendar days, as needed.

Automatic sprinkling systems shall be operated only between 5:00 a.m. and 8:00 a.m. every other day.

Handheld hoses must be 3/4" diameter or less and can be used between 7:00 p.m. to 10:00 a.m. according to the odd/even schedule.

*No watering during rain*

Limit excessive watering so as not to cause run off into streets and driveway aprons; however, food establishments shall be permitted to wash down sidewalks, decks, garage aprons and the like.

**Emergency conditions may warrant additional restrictions.**

The above water conservation restrictions are enforced by Municipal ordinance No. 10-44c as mandated by the state of New Jersey

# Solutions to Stormwater Pollution

## Easy Things You Can Do Every Day To Protect Our Water

### A Guide to Healthy Habits for Cleaner Water

**P**ollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

**As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.**

### Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

### Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

■ If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

### Keep pollution out of storm drains

■ Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.

- Do not let sewage or other wastes flow into a stormwater system.

### Clean up after your pet

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

### Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

### Don't litter

- Place litter in trash receptacles.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.

### Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

Recycling

# SHELL RECYCLING DROP OFF

**CONSUME** oysters & clams  
at home.

**DROP OFF** at the DPW yard  
in shell bins for collection.

**CURE** shells for 6 months &  
prime them to support  
new oyster growth.

**CULTIVATE** by using cured  
shell in bay restoration.

The Public Works recycling yard is now **collecting shells** to use in local restoration projects.

Please help this project by recycling **CLEAN SHELL ONLY**  
{Oyster & Clam} in the designated containers at the collection site.

This initiative is supported by the LBT Field Station along with Jetty Rock Foundation who designed the drop off signs and donated bins!

**Location:** 7910 Long Beach Blvd Beach Haven Crest (DPW)

**Hours:** Monday - Friday, 8:00-2:30pm (**fall/winter/summer**)  
Saturday - Sunday, 8:00-12:00pm (**summer**)

Brant Beach, NJ 08008

PRESORTED  
STANDARD  
U.S. POSTAGE  
**PAID**  
W. CALDWELL, NJ  
PERMIT NO. 111

Happy New Year! This is the 14th year of our Long Beach Township Recycling/Trash Calendar. It is our first year of production without Commissioner Ralph Bayard at the helm and his keen editor's eye. His legacy lives on in our Public Works Department and we dedicate this year's calendar to him. We welcome Commissioner Alexander Meehan who has seamlessly taken the reigns of the recycling and trash operations.

The Township continues to provide our convenient recycling drop off center and this year have added an oyster/clam shell drop off location for our residents. Clean shell only is welcome and provides our community a way to help in our bay restoration work. This is in addition to the 15 area restaurants that have diverted more than 50 tons of shell from the landfill this year. See our website for a full list of participating restaurants and summer programming at the LBT Field Station and our Municipal Complex, many highlighted in this year's calendar.

A new recycling opportunity was launched this year by Ocean County for a locally important specialty item, boat flares. In partnership with Ocean County Fire Academy and Fire Marshalls, they hosted two successful collection dates. Keep an eye out for future dates on this item.

If you have any questions, please contact  
The Recycling and Trash Department at (609) 361-6676  
Best Wishes for a Happy, Healthy, and Safe New Year!
