The Long Beach Township 2026 Best Practices Checklist

The Division of Local Government Services issued the 2026 Best Practices Checklist to all New Jersey municipalities. It is a questionnaire that sets standards for local governments to assess municipal financial operations. The 2026 checklist included 71 questions pertaining to Budget, Capital Projects, Emergency Services, Environment, Ethics, Financial Administration, Historic Preservation, Hospital Contributions, Insurance, Lead Remediation, Personnel, Procurement, Redevelopment, Shared Services & Consolidation, Tax Collection, Technology Transient Accommodations, and Transparency. Responses were due by October 30th, 2026. Municipal governments must respond to each question and need to meet an established percentage of the checklist items in order to receive their final State Aid payment. The Board of Commissioners has reviewed the 2026 Best Practices Checklist submitted by the Chief Financial Officer. Based upon Long Beach Township's completed questionnaire, the Township shall receive its total final State Aid payment.
